Subject: Work Release Center Transition Assignments

In keeping with the goal of Transition Assistance as part of SB 912 to provide appropriate transitional services for all offenders released from incarceration, Transition Services staff have been assigned as follows to provide coverage of these services to inmates in Region III:

Hugh Royal - (Tomoka CI), Daytona Beach WRC, Tomoka W.C.
Patti Rogers - (Brevard CI), Brevard W.C., Cocoa W.R.C.
Derrick Owens - (Marion CI), Marion W.C., Back-up to Mr. Beard at Lowell
Angela Pierre-Charles - (Sumter); Sumter F.C.; Back-up to Ms Sanders at Hernando, **
Eric DeLoach - (Lake), Kissimmee W.R.C., Orlando W.R.C.
Delano McCullough - (Central Florida Reception Center), CFRC East, CFRC South
Marlon Milan - (Avon Park), Avon Park W.C.
Tom Curley - (Zephyrhills); Bartow WRC
Jacquie Sanders - (Hernando), Largo R.P.; Pinellas WRC
Lois Sadd - (Polk CI); Polk W.C.
Robert Beard - (Lowell CI), Levy F.C.; Tarpon Springs WRC; **
Ceridwyn Whitford - (Hillsborough); St. Pete WRC; Bradenton DTC

** Boot Camp responsibilities under review by Central Office

As we proceed with this process, adjustments to the above plan can be made, as needed. The goal is to provide the most effective use of staff resources to get the job done. Transition staff are approved to travel to these assigned locations at times which will be scheduled to accommodate workload and coverage needs which may vary. I would ask for the continued support and assistance of Classification in coordinating our efforts to introduce staff to their duties in these assigned areas. Ms Whitford and I will be working with TAS staff as well as Classification and Chaplaincy Services in developing the best plan to extend services to the additional sites.

Your hard work and "can-do" spirit is going to ensure the success of this program!! Thank you,

Cathy Y. Pearce
